Resume Builder

jobs.utah.gov says

By not uploading a resume, employers are unable to search for you or reach out to you when they're hiring. Providing a resume is strongly recommended. If you do not have a resume, you can create one by selecting the "Resume Builder" button on this page.

Registered Nurses

Assess patient health problems and needs, develop and implement nursing care plans, and maintain medical records. Administer nursing care to ill, injured, convalescent, or disabled patients. May advise patients on health maintenance and disease prevention or provide case management. Licensing or registration required. Includes Clinical Nurse Specialists. Excludes "Nurse Anesthetists" (29-1151), "Nurse Midwives" (29-1161), and "Nurse Practitioners" (29-1171).

Occupation Outlook

This occupation is expected to experience faster than average employment growth with a high volume of annual job openings. The need for replacements, rather than business expansion is projected to make up the majority of job openings in the coming decade.
